NEW for 2021: SRS Club events will be uploaded to www.HuntSecretary.com
The opening of an SRS event will always be on Monday - 7:00 p.m. EST. no less than 30 days prior to the event. All closing of events will be 7 days prior to the event start day. Example - Friday at 11:59 p.m. EST. closing for the event that starts the following Friday. Amateur entries will still be able to walk on unless event is full to capacity. Open entries will have deadline listed on the entry registration. Under no circumstance will SRS allow a late entry for an Open team.

NEW for 2021: You will have the option to have either a 3 Day Club event with a maximum of 80 dogs or a 4 Day Club event with a maximum of 120 dogs. With the new rules on entering, you would have the option go from 4 days to 3 days if entry was not as expected.

NEW for 2021: Within the 30 combined entries there must be at least 20 Pros and at least 10 Amateurs to be able to acquire all points. This consists of points for a UKC Title, SRS Crown qualifying points and Team of the Year points. Zero points will be awarded towards the UKC title, SRS Crown qualification and TOY if entry is <20 Pros in the Pro division or <10 Amateurs in the Amateur division. If this is an Amateur Only event the minimum number of entries is 20 teams. SRS Club events have the option to have up to 8 dogs per handler. This number will be listed on Huntsecretary and under Facebook events. More rules are being worked on at this time and will be complete before first event.
